BETWEEN FRIENDS

Watch out!
I've been feeling like I wanna check out
I'm staying in tonight
Can I
Have the keys to a brand-new house
See my life I wanna rewrite

Oh are you following?
Who can take care of me?
I wanna be alright it's a duality
I wanna waste my life in reality

How many more days until the weekend
How many more days until the weekend
How many more days?
123 what's the fee for the damage
Now I'm in the studio looking at your image
How many more days until the weekend
How many more days?

Where'd it go?
I've been searching for the light in my eyes
Did someone come and take it?
I know
I can be an emo
Tonight I'm gonna change it

Oh, are you following?
Who can take care of me?
I wanna be alright it's a duality
I wanna waste my life in reality

How many more days until the weekend
How many more days until the weekend
How many more days?
123 what's the fee for the damage
Now I'm in the studio looking at your image
How many more days until the weekend?
How many more days?

How many more days until the weekend
How many more days until the weekend
How many more days?
123 what's the fee for the damage
Now I'm in the studio looking at your image
How many more days until the weekend?
How many more days?

If you're lost
I will always find you
And in my dreams
You will be there
