

# BLOW

## BETWEEN FRIENDS

Can you see me?  
I'm like a helicopter  
You tell me that I'm dreaming  
I wish I could sleep for longer

You know I wanted, I wanted, I wanted, I wanted the quiet  
You say we're peaking the sub, put my head in the speaker to try it  
Can we try it?

Oh, oh, follow you wherever you go  
Oh, oh, how did we end up in jail?  
Oh, oh, feel like I could take a little more  
So blow my fucking ears off

Oh, oh, follow you wherever you go  
Oh, oh, how did we end up in jail?  
Oh, oh, feel like I could take a little more  
So blow my fucking ears off

Do you need me?  
I think I could be your doctor  
We take the streets to Simi  
You tell me 'bout your wonders

You know I wanted, I wanted, I wanted, I wanted the quiet  
You say we're peaking the sub, put my head in the speaker to try it  
Can we try it?

Oh, oh, follow you wherever you go  
Oh, oh, how did we end up in jail?  
Oh, oh, feel like I could take a little more  
So blow my fucking ears off

Oh, oh, follow you wherever you go  
Oh, oh, how did we end up in jail?  
Oh, oh, feel like I could take a little more  
So blow my fucking ears off

I remember what it felt like, what a feeling I remember  
I remember what it felt like, what a feeling I remember  
I remember what it felt like, what a feeling I remember  
I remember what it felt like, what a feeling I remember  
I remember what it felt like, what a feeling I remember  
I remember what it felt like, what a feeling I remember
