### BETWEEN FRIENDS

Baby, are you by my side?  
Don't you know it drives me wild  
When you say, "If you like, then I can meet you halfway for sure"?  
And I like saying, "Baby, I know"

Again, tell me, what do you believe?  
And how can I fit in-between?  
When you say, "If you like, then I can meet you halfway for sure"  
And I like saying, "Baby, I know"

I lose my self-control, and I lose all my clothes  
Do you feel it like before? Because I'm getting close  
I gotta go 'cause I'm getting comfortable  
I gotta go

Maybe you could be the remedy  
For all the nights I couldn't sleep without you  
See my dress, it's slipping from my head to toe  
Leave your shoes by mine at the door

I lose my self-control, and I lose all my clothes  
Do you feel it like before? Because I'm getting close  
I gotta go 'cause I'm getting comfortable  
I gotta go

Maybe we can do it again

I lose my self-control, and I lose all my clothes  
Do you feel it like before? Because I'm getting close  
I gotta go 'cause I'm getting comfortable  
I gotta go

I hate the way I'm feeling a million  
Maybe we can do it again  
I hate the way I'm feeling a million  
Maybe we can do it again  
I hate the way I'm feeling a million  
Maybe we can do it again  
I hate the way I'm feeling a million  
Maybe we can do it again

Maybe we can do it again  
Maybe we can do it again  
Maybe we can do it again—
