### BETWEEN FRIENDS

Daydreaming and I'm thinking of you  
Daydreaming and I'm thinking of you  
Daydreaming and I'm thinking of you  
Daydreaming and I'm thinking of you  
Look at my mind floating away

He's the kind of guy that would say  
Hey, baby let's get away  
Let's go some place, huh  
Where I don't care  
He's the kind of guy that you give your everything  
You trust your heart, share all of your love  
'Till death do you part

I want to be what he wants  
When he wants it and whenever he needs it (Yeah)  
And when he's lonesome and feeling love starved  
I'll be there to feed it  
I'm loving' him a little bit more each day  
Turns me right on when I hear him say, yeah okay

Hey, baby, let's get away  
Let's go somewhere far  
Baby can we  
Oh, where, I don't care (Hey, baby let's get away)  
Hey, baby, let's get away  
Let's go somewhere far

Where, I don't care (Yeah)
