

Jackie

BETWEEN FRIENDS

And I miss walking down the street
Like when it was just you and me
I wanna hold you in my arms
I just wanna be your everything

And did you get what you need?
Loved you since 2016
Can I find a way to keep you?
And I might be rambling
I just wanna tell you that
Do it all again

Ooh
Jackie, what you waiting for?
Tell me how you like it
Ooh
Got so much to say this time
Are we heading for the finish line?

Ooh
Jackie, what you waiting for?
Tell me how you like it
Ooh
Got so much to say this time
Are we heading for the finish line?

Am I losing this fight
Or am I just a night away from winning? And I
See you standing there, I just wanna tell you that
I'd do it all again

Driving downtown by the skin of my teeth
Tell my sister goodbye, not a sweet sixteen
When I look in the mirror, do I like who I see?
Camera brings out insecurities
Driving along, got a play-by-play
Night you left stole my heart away
Now I lose it all at the same old place
They're playing the songs that we used to play

Jackie, what you waiting for?
Tell me how you like it
Ooh
Got so much to say this time
Are we heading for the finish?

Ooh
Jackie, what you waiting for?
Tell me how you like it
Ooh
Got so much to say this time
Are we heading for the finish line?

Ooh
Jackie, what you waiting for?
Tell me how you like it
Ooh

Got so much to say this time
Are we heading for the finish line?

Jackie, what you waiting for?
Tell me how you like it
Got so much to say this time
Are we heading for the finish line?

Ooh
Jackie, what you waiting for?
Tell me how you like it
Ooh
Got so much to say this time
Are we heading for the finish line?

Ooh
Jackie, what you waiting for?
Tell me how you like it
Ooh
Got so much to say this time
Are we heading for the finish line?
