

La, la-la-la  
La, la-la-la-la-la

I was okay then you came, say you care but you don't  
You don't  
And we could've tried but you never even know what you want  
You want  
Like I was okay then you came, say you care but you don't  
You don't  
And we could've tried but you never even know what you want  
You want, you want

Yeah, I could cry if you like  
I've been losing my mind  
Would you hold me tight one more time  
Can I make it alright?  
You say

Don't you wanna lie here with me? Yeah  
Don't you wanna be in my dream like la-la-la?  
I could be the one, never leave, yeah  
Don't you wanna be in my dream like la-la-la?

I'm staying late, I'm feeling low  
I never wait, I did it for you  
I want you back more than you know  
Guess I'll just go  
Yeah, I should go

I was afraid when you said that you did, did the most  
The most (Uh-huh, uh-huh)  
Guess you didn't see what I did just for you now you know  
Yeah, you know (Yeah)

Yeah, I could cry if you like  
I've been losing my mind  
Would you hold me tight one more time  
Can I make it alright?  
You say

Don't you wanna lie here with me? Yeah  
Don't you wanna be in my dream like la-la-la?  
I could be the one, never leave, yeah  
Don't you wanna be in my dream like la-la-la?  
Don't you wanna lie here with me? Yeah  
Don't you wanna be in my dream like la-la-la?  
I could be the one, never leave, yeah  
Don't you wanna be in my dream like la-la-la?

I couldn't sleep through the night 'cause your love is a lotto  
I couldn't sleep through the night 'cause your love is a lotto (Lotto, yeah)  
I couldn't sleep through the night 'cause your love is a lotto (Like la-la-la)  
I couldn't sleep through the night 'cause your love is a lotto (Lotto)
