

Sloppy Stella

BETWEEN FRIENDS

Could you stop whining all the time?
It's kinda cold inside
I don't really like the AC
What is that tuner on?
It's everyone's birthday always

I guess I kinda liked it
When I was talking to my best friend
Did we have a moment
Or am I having a meltdown?
I guess I kinda liked it
When you saw me getting undressed
Was it on purpose?
Maybe I need to lay down

'Cause I can't figure you out
You might call me out for shit
We keep talking it down
Are you having doubts or no?
(Okay)

Now I'm breaking it off, well I tried it
You go kicking me out, so excited
Now I'm breaking it off, well I tried it
You go kicking me out, so excited

I guess that I should say it
And you know that I'm impatient
I know we said ... was one time
That was a lie

I've been waiting 'cause you've been on and off
Kinda feel like I'm talking to myself
Vega told me that I should get some help
And I don't know if we should talk

'Cause I can't figure you out
You might call me out for shit
We keep talking it down
Are you having doubts or no?
(Okay)

Now I'm breaking it off, well I tried it
You go kicking me out, so excited
Now I'm breaking it off, well I tried it
You go kicking me out, so excited
Now I'm breaking it off, well I tried it
You go kicking me out, so excited
Now I'm breaking it off, well I tried it
You go kicking me out, so excited

Gotta get over, get under control
I feel like I wanna get in
