

Guess I'm out of luck
I'm a tremolo
Make my mind sweep back while I'm moving slow
Guess I'm out of love
It's a tremolo
Make my heart beat fast

You could let your eyes fill the gaps between
I got you in the back so we won't be seen
I guess I'm out of love
It's a tremolo
Make my heart beat fast

Don't you mind
I've been stuck online
Out of time
Tell me do you mind

Don't you mind
Twisted up all night
Out of line
Are we out of time

Guess I'm out of luck
I'm a tremolo
Make my mind sweep back while I'm moving slow
Guess I'm out of love
It's a tremolo
Make my heart beat fast

You could let your eyes fill the gaps between
I got you in the back so we won't be seen
I guess I'm out of love
It's a tremolo
Make my heart beat fast

Don't you mind
I've been stuck online
Out of time
Tell me do you mind

Don't you mind
Twisted up all night
Out of line
Are we out of time

Guess I'm out of luck
I'm a tremolo
Make my mind sweep back
Guess I'm out of love
It's a tremolo
Make my heart beat fast
