

Famous

Between You & Me

Cut the rope you count on to hold you up
There's no use hanging waiting for a fantasy to come
(I wanna be like, I wanna be like)
Tried your best but clearly it's not enough
And you can't keep going trying to stay afloat to make it home
(I wanna be like, I wanna be like)

And I get that you wished for nothing else
And you hate everyone that makes you doubt yourself
(It goes on and on and on and on)
Get a grip like everybody else
If you dwell, you will fuck your mental health
(It goes on and on and on and on)

I wanna be famous, wanna leave a mark
I just wanna make waves, watch them go far
I wanna be the greatest, where do I start?
I wanna be a name in a Hollywood Star
I wanna be like you
(I wanna be like, I wanna be like)
You, you

(I wanna be like, I wanna be like)

Take your web and go spin it for someone else
'Cause it ain't worth living paying bills to barely make it by
(I wanna be like, I wanna be like)
Yeah you pray for checks and money, but to me that shit means nothing
I'll be waiting for a fantasy to come
(It goes on and on and on and on)

I wanna be famous, wanna leave a mark
I just wanna make waves, watch them go far
I wanna be the greatest, where do I start?
I wanna be a name in a Hollywood Star
I wanna be like you
(I wanna be like, I wanna be like)
You, you

(It goes on and on and on and on)
(It goes on and on and on and on)
(It goes on and on and on and on)
And I get that you wished for nothing else
(It goes on and on and on and on)
Get a grip like everybody else
(It goes on and on and on and on)

I wanna be famous, wanna leave a mark
I just wanna make waves, watch them go far
I wanna be the greatest, where do I start?
I wanna be a name in a Hollywood Star
I wanna be like you
(I wanna be like, I wanna be like)
You, you

And I get that you wished for nothing else
(I wanna be like, I wanna be like)

You, you
