```
Hello resolven
Hello to you all
Wake up the king, wake up the queen
Everybody laugh, everybody sing, it's over

Hello resolven
Hello to you all
Wake up the king, wake up the queen
Everybody laugh, everybody sing, it's over

Hello resolven
Hello to you all
Kill off the king, kill off the queen
Everybody laugh, everybody sing, it's over
It's over
It's over
It's over
It's over
It's over
It's over
