

# Come Home To Me

Beverley Craven

Let you go  
Too easily  
Did I let you see me cry  
You close the door  
I didn't call  
And it hurt so much for me to say goodbye  
And now I'm on my own  
Still waiting here alone  
Cos I want you back  
And you know I can't let go  
Come home to me  
Cos you mean everything  
But you don't know what you've got until it's gone, no  
Come home to me  
Some things were meant to be  
But the only thing I know  
Is I just can't face another night alone

I wonder who  
Is there with you  
And if you're thinking of me now  
It's not too late  
To try again  
We can make it right the second time around  
Tell me what to do  
I'm still in love with you  
And I can't believe that you don't need me too

Come home to me  
Cos you mean everything  
But you don't know what you've got until it's gone, no  
Come home to me  
Some things were meant to be  
But the only thing I know  
Is I just can't face another night alone

If there's a chance for us I need to know  
Cos after all that we've been through  
You've seen a part of me I can't let go  
Cos no-one makes me feel the way you do

Come home to me  
Cos you mean everything  
But you don't know what you've got until it's gone, no  
Come home to me  
Some things were meant to be  
But the only thing I know  
Is I just can't face another night alone

Alone
