

## Woman To Woman

Beverley Craven

Everytime you get a new boyfriend  
I don't see you for weeks on end  
When I call 'cos I need to talk  
I feel like I'm taking up your time,  
There are things that I can only say  
To a woman face to face  
But you're occupied almost every night  
I've got a secret and I need advice

Woman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
No - because I don't matter now you've fallen  
In love

Two is company and three's a crowd  
Like my father I'm much too proud,  
If it falls apart and he breaks your heart  
There'll be tears on the telephone again,  
And where are you when I'm the one who needs  
Consolation while my heart bleeds  
Saying "look it's late, can I break our date?"  
Did no one tell you that it's give and take?

Woman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
No - because I don't matter now you've fallen  
In love  
Woman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
No - because I don't matter now you've fallen  
In love
