

Ain't That a Lot of Love*

Beverley Knight

I know the desert could hold all the love that I feel in my heart for you
If I could spread it out across the sea, I know my love would cover you, yes it would now
Now ain't that a lot of love for one heart to hold

Now if the cooks in the kitchen had a touch as hot as yours, they wouldn't need a fire
And I ain't make up a word that describes you better than indescribable, no I can't now
Now ain't that a lot of love for one heart to hold, yeah

Now baby your lips (so sweet)
Honey you're my (every need)
Ooh you've got a smile (so rare)
Now ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, baby, they would seal up their honey comb
If the birds could hear how sweet your voice is, they would tighten up their song
Now ain't that a lot of love for one heart to hold, yes
Ain't that a lot of love for one heart to hold

Yeah, a love
Ain't that a whole lot of love
Somebody tell me oh please
Somebody tell me please
Somebody tell me oh please
Somebody tell me please
Now ain't that a whole lot of love
Ain't that a whole lot, whole lot of love
Ain't that a whole lot, whole lot of love
A lot of love for one heart to hold
One more time
Ain't that a lot of love for one heart to hold
