

Someone Else's Problem

Beverley Knight

Hey, yeah!
Uh-huh-uh-uh, uh-uh-uh
Yeah

Someone else's problem
On someone else's time
You're someone else's problem
Not mine
No one can blame me for this road I'm taking
(Someone else's problem)
Not mine

Whispers on my left, hearing rumors on my right
This can't be my life, uh-uh (Uh-uh)
All night on your phone, while I'm sleeping all alone
Did you think I'd never know? Uh-uh (Uh-uh)

Wooo! Better take my own advice
It's time to move
I'm gonna make it

Someone else's problem
On someone else's time
You're someone else's problem
Not mine
No one can blame me for this road I'm taking
(Someone else's problem) Yeah
Not mine

Oh, oh-oh
Oh, yeah, yeah-yeah
Mmm

Said you were my king
But the truth lay here within
Self-delusion's a real thing, uh-huh (Uh-huh)
Well, I'm finally seeing straight
And it's not a day too late
Find your stuff outside my gate, uh-huh (Uh huh)

Woo-ooh-ooh, yeah
Better take my own advice
It's time to move, yeah
I'm gonna make it

Someone else's problem
On someone else's time (Yes indeed)
You're someone else's problem (Mmmmm)
Not mine
No one can blame me for this road I'm taking
(Someone else's problem) Yeah
Not mine

Say yeah (Yeah-yeah-yeah-yeah)
Say yeah (Yeah-yeah-yeah-yeah)
Say yeah (Yeah-yeah-yeah-yeah)
Uh-huh (Not mine)

Uh-huh
Say (Yeah-yeah-yeah-yeah)
Say yeah (Yeah-yeah-yeah-yeah)
Say yeah (Yeah-yeah-yeah-yeah)
Uh-huh (Not mine), not mine, oh!

Someone else's problem
On someone else's time
You're someone else's problem (Not mine)
Not mine
No one can blame me for this road I'm taking
(Someone else's problem) Not mine
Not mine (Not mine)

(Oh!) Someone else's (Somebody's)
Someone else's (Somebody!)
Someone else's (Not mine!)
Uh-huh (Uh-huh!), uh-huh (Oh-oh!)
Someone else's (Somebody's)
Someone else's (Somebody!)
Someone else's (Not mine)
Uh-huh, uh-huh

Oh, someone else's problem (Someone else's)
Someone else's time (Someone else's)
Someone else's problem (Someone else's)
Not mine (Uh-huh, uh-huh)
No one can blame me for this road I'm taking (Someone else's, someone else's
, someone else's)
Somebody else's (Uh-huh, uh-huh)
Not mine

Not mine
Not mine
Not mine
Never again
