

## The B-Funk

**Beverley Knight**

Let me introduce you to... B-Funk (do-do-do-do-do)  
Let me show you a new school concept of funkina'  
It's called the B-Funk  
And I am aware  
Dawning of a new day in UK flavour  
That's on the rise  
And I'm inspired by an older generation  
Who weren't afraid to give their all and nothing else  
I-I-I-I give you... the B-Funk
