

Black Is Black

Beverley Mitchell

Oh, I don't care, what the world may think of me
And I don't care, if they all disagree
I'm gonna stay true, to the words my mama taught me
And I'll carry them deep in my soul

Black is black, white is white
Wrong is wrong, and a right is right
There ain't no room for compromise, let your conscience be your
guide
Mama said, always try
With every choice you make in your life
You'll know when you know it's right
Just follow, follow your heart

Follow your heart, oh whoa, yeah

Sometimes I want to run and hide
And just deny that voice inside
Lord it's never ever wrong
When you're standing in the light of the truth
Nothing can get to you
No, No, No, No

Black is black, white is white
Wrong is wrong, and a right is right
There ain't no room for compromise, let your conscience be your
guide
Mama said, always try
With every choice you make in your life
You'll know when you know it's right
Just follow, follow your heart

Oh, I don't care, what the world may think of me
And I don't care, if they all disagree
I'm gonna stay true, to the words my mama taught me
And I'll carry them deep in my soul

Black is black, white is white
Wrong is wrong, and a right is right
There ain't no room for compromise, let your conscience be your
guide
Mama said, always try
With every choice you make in your life
You'll know when you know it's right
Just follow, follow your heart
