

Medicine

Beware of Darkness

I'm all out of pills to swallow
Pharma-suicide with a doctors note
Under the weather, over the counter
Chemo-therapeutic overdose

(Medicine, my medicine)
I love you more than I could ever say
(Say you will, oh say you will)
I had another overdose
(Medicine, my medicine)
I need you every day to stay alive
(Say you will, oh say you will)
I had another overdose

Dr. Drew I need a savior
Prescription addiction's killing me
Under the weather, over the counter
It's easier than learning your A,B,C,s

(Medicine, my medicine)
I love you more than I could ever say
(Say you will, oh say you will)
I had another overdose
(Medicine, my medicine)
I need you every day to stay alive
(Say you will, oh say you will)
I had another overdose
I had another overdose
I had another overdose

(Medicine, my medicine)
I love you more than I could ever say
(Say you will, oh say you will)
I had another overdose
(Medicine, my medicine)
I need you every day to stay alive
(Say you will, oh say you will)
I had another overdose
I had another overdose
I had another overdose
