U know I like it that, no
Fake nothing, don't worry 'bout it, 'cuz I love it

She kept it 5, 10 way before pandemic
Oreunsonen Purse oensonen coffee

No keys, just push the start
I keep my right hand on her thighs
Hit the Vic Secret inside the bc right there, and I know her size
Ttaseuhan haetbicheul garin ganyeorin Palms and palm trees
Brunch, gotta hit good Italian, and before the telly some hansik

An sik cheo I feel safe calm with you
I will ride with you that's my word

An sik cheo I feel safe calm with you
I will ride
