

## Again

BEXAR

I fell asleep and had a dream, you and me were 17 again  
Tore up our feet on gravel streets, smoking weed and  
Getting drunk with our friends  
Stealing signs, with your name and mine too  
And Rearview Pine, that carwash we'd drive through  
Pass the time, waiting for midnight to take me home

Baby, I'd give it all for a moment  
Tattoo your name on my skin  
Start it all over to watch it all end  
'Cause the truth is I'd do it again  
I'd do it all again

Hey, hey

"Said we're too young too fall in love", at least that was what  
your mama said (Hey)  
So I park and wait for you to say, "It's okay", 'cause if I got  
caught I'd be dead  
I'll play that song, we'd dance to forever  
I take that shot you spilled on my sweatshirt  
I'd do it wrong 'cause all that we had made me who I am

Baby, I'd give it all for a moment  
Tattoo your name on my skin  
Start it all over to watch it all end  
'Cause the truth is I'd do it again  
I'd do it all again

I'd do it all again  
I'd do it all again  
I'd do it all again

You know I'd do it, you know I'd do it  
You know I'd do it again  
You know I'd do it, you know I'd do it  
You know I'd do it again

'Cause baby, I'd give it all for a moment  
Tattoo your name on my skin  
Start it all over to watch it all end  
'Cause the truth is I'd do it again  
Truth is I'd do it all again
