

Bedroom

BEXAR

Rolling Stones on your shirt faded blue
I like the way that you move, I bet that they love it too
Keepin' it cool in the middle of June
Girl you shine like the sun when you're wearin' the moon

You're smiling back, I'm talkin' smooth
Could be as simple as one and one is two
Don't know how to act, don't wanna move too fast
I'm just saying that

I wanna see you with the glass of wine
See you make a shadow out of hallway lights
See you be yourself tonight
See you when the mornin' opens both our eyes

I wanna see you in my bedroom
See you in my bedroom

Get so caught up in all the time that we waste
Oh, I could love you for days, there's a million ways
Right on my heart's where you're writing your name
All the line that you trace, oh, I just want you to stay, yeah

You're smiling back, I'm talkin' smooth
Could be as simple as one and one is two
Don't know how to act, don't wanna move too fast
I'm just saying that

I wanna see you with a glass of wine
See you make a shadow out of hallway lights
See you be yourself tonight
See you when the mornin' opens both our eyes

I wanna see you in my bedroom
(I wanna see you, ah, I wanna see you)
See you in my bedroom
(I wanna see you, ah, I wanna see you)
See you in my bedroom
(I wanna see you, ah, I wanna see you)
See you in my bedroom
(I wanna see you, ah, I wanna see you)

I wanna see you with that glass of wine
See you make a shadow out of hallway lights
See you be yourself tonight
See you when the morning opens both our eyes

I wanna see you in my bedroom
(I wanna see you, ah, I wanna see you)
See you in my bedroom
(I wanna see you, ah, I wanna see you)
See you in my bedroom
(I wanna see you, ah, I wanna see you)
See you in my bedroom
(I wanna see you, ah, I wanna see you)
