

## Last Name

BEXAR

Early morning peeking through the shades  
She turns around says tell me, babe,  
Is there anything that you'd rearrange to make the perfect me?

Would it be the freckles on my cheeks?  
Or my can't dance off-beat two left feet?  
Going nowhere on that floor  
Whatever it is I gotta know

Staring at her, staring at me  
I'm holding in what I'm feeling  
If she could only know  
What I'm thinking

Wouldn't be her eyes  
'Cause they light up the night  
Wouldn't be her hands  
'Cause they fit perfect in mine

Her smile  
Her kiss  
Her every inch  
I'd keep it all the same

But I'm waiting for the day  
I can be the man  
To change her last name

She said okay, boy  
I know there ain't no doubt  
There's a part of me  
You could live without

I can name a million things  
Here's a couple two or three  
While you think

The squeeze in my jeans  
I'm a mess you can't clean  
C'mon now, I think  
We can both agree  
I'm so far from a masterpiece  
But in this room, all I see is

A perfect angel staring at me  
I'm holding in what I'm feeling  
If she could only know what I'm thinking

Wouldn't be her eyes  
'Cause they light up the night  
Wouldn't be her hands  
'Cause they fit perfect in mine

Her smile  
Her kiss  
Her every inch  
I'd keep it all the same

But I'm waiting for the day  
I can be the man  
To change her last name  
(Let me change your last name, baby)

As the sun sets on her face  
A perfect shade of pink  
Took her hand, got on my knee  
Said I've had time to think

Wouldn't be her eyes  
'Cause they light up the night  
Wouldn't be her hands  
'Cause they fit perfect, perfect

Your smile  
Your kiss  
Your every inch  
I'd keep it all the same

Mmm, hey now  
What you say?  
Let me change your last name, baby

Wouldn't be her eyes  
'Cause they light up the night  
(Let me change your last name, baby)  
Wouldn't be her hands  
'Cause they fit perfect in mine

Her smile  
Her kiss  
Her every inch  
I'd keep it all the same

But I'm waiting for the day  
I can be the man  
To change her last name
