Oh Oh now they wanna know
Oh wait back then ya didn't wanna know
Oh wait ("What you up too?" "How is life for you? ")
Why the fuck do you wanna know last year I was invisible

Oh Oh now they wanna know
Oh wait back then ya didn't wanna know
Oh wait ("What you up too?" "How is life for you? ")
Why the fuck do you wanna know last year I was invisible

With no fucks, swing nunchucks
Ever so precisely
Swing for the trees with ease
I pounce strapped to my [?]
Now ya really can't say much
Come to find my [?]
Past your limitation
Who's gonna save ya
Straight for the target
You are mind controlled darlin'
Aw shit, the jealous narrow-headed ones are asking
Alright now they get it
Oh no! bitch you forget it! fuck your message
(You a fake)
Foolish look up on ya face, I can see it in your eye
(Let me explain)
No cause you lyin' every sentence
Explaining is not the same as pretending you're deaf to definit
ion
(No way)
No drama cause if it was your [?] get a train to London
Go audition not inside of my inbox
(Okay)
Some advice my friend
See you on the other side tonight my friend

Oh Oh now they wanna know
Oh wait back then ya didn't wanna know
Oh wait ("What you up too?" "How is life for you? ")
Why the fuck do you wanna know last year I was invisible
