

Eternal Flow

BEXEY

I might never go home again
See it all through my eyes
I don't know pretend
Until, life killed me I was a older kid
Then the devil up on my shoulder controlled all this
And turned me to a young man (hmm)
Untie the noose boy go have some fun
And getting up on my feet
And I'm coming up out of the Dungeon
Dancing in hell bitch I've even got a sun tan
Sippin' Margarita with my feet up (Wooh)
Glass half full like the Cole Bennet Ted Talk
Less is more so there's less talk
Travel to the next floor
In the elevator with a red Supreme stress ball
Sentimental, I set your mental
Up the levels don't know how to settle
Leave a stack on the floor just to test you
Bless you, roll on to the next move

Why don't they do what they say
Say what they mean
I feel like they snakes undercover
And they fake, could it be?
I don't feel a thing
You don't know me
Don't call me brother

Why don't they do what they say
Say what they mean
I feel like they snakes undercover
And they fake, could it be?
I don't feel a thing
You don't know me
Don't call me brother

I been riding round
Head hanging out the sun roof
Middle finger to the clouds screaming f*ck you
Pour it out the bottle sipping all on the Grey Goose
Sweetest taboo, this Chardayy smooth
Up in my brain, ain't no game
Drip the propane on that flame
I'm a soul taker say no names
I don't think she belong to you my friend
I'mma take your soul up in the moonlight yeah
Take a acid tab to get her mood right yeah
I remember when you never knew my name
Yeah you treating me differently now I do my thing
Mmm yeah you wanna know now
Eternal flow we can never go down
They question that I'm the magic
They wanna know how?
Get that up out your business
Bitch I [?] roll out

Why don't they do what they say

Say what they mean
I feel like they snakes undercover
And they fake, could it be?
I don't feel a thing
You don't know me
Don't call me brother

Why don't they do what they say
Say what they mean
I feel like they snakes undercover
And they fake, could it be?
I don't feel a thing
You don't know me
Don't call me brother
