

# Hell Bound

BEXKEY

Too many times I've been right here in this position  
I've been here time and time again I just don't listen  
I'm heaven sent but I'm hell bound  
Broken angel I fell down  
I'm heaven sent but I'm hell bound  
Broken angel I fell

She say I got demon eyes  
You don't know how to take a piece of mind  
This life is a puzzle, we all trying to find a piece of mind  
Keep it together  
I'm dripping diamonds along with depression  
I fight under pressure  
I love the silence, so the day I die ima shoot with suppression  
Skeletons all up in my closet  
Any second they watching I can't stop it  
I let the door then I shut it  
I don't wanna feel nothing, f\*ck it

Too many times I've been right here in this position

I've been here time and time again I just don't listen  
I'm heaven sent but I'm hell bound  
Broken angel I fell down  
I'm heaven sent but I'm hell bound  
Broken angel I fell

How many more times till I lost time  
How many more words till the last line  
How many tears left for the last cry  
How many more deaths till the last life  
How many more, how many more  
I don't know, I don't know

Too many times I've been right here in this position  
I've been here time and time again I just don't listen  
I'm heaven sent but I'm hell bound  
Broken angel I fell down  
I'm heaven sent but I'm hell bound  
Broken angel I fell
