BEXEY

4AM once again, thinkin' 'bout you

Potassium chloride and I'm always there, making the most of it  
Look me in my eyes when I take a life so you know it's me

Kill myself to kill you again  
Venison's a bad omen  
I ain't a lunatic, I'm a revenge servant  
Five stars service dismemberment  
Gold eyes is what it's the best served  
With my bitch and that's my [?]
