BEXEY

I know you used to be regular
I got somethin' new for ya
Had to go level up
And I'm makin' room for it
Honestly my apologies
I'm so not sorry
Wanna say just another thing
I'm so not sorry

Asking too many questions
Whats the agenda?
I'm making room for new blessings
Get what I deserve
But honestly my apologies
I'm so not sorry
Wanna say just another thing
I'm so not sorry

Some people I never wanna see again
I'm on a detox
I don't need to make a friend
No conversationing
Don't need to make amends
Don't need to play pretend
I need to pay attention to me
