

## Unavailable

BEXEY

No I ain't tryna find no money like  
'Cause I'm gon' make more than anybody does  
Fuckin' me, making me feel uncomfortable, I'd rather be alone  
Repeatin' that you need me but I'm unavailable  
Unavailable, I need myself, and I recommend the same for you  
Baby listen up I said I'm unavailable  
Just believe me I don't really think the way you do, the way yo  
u do, you do

I get frustrated repeatin' myself  
Blood stains all up on my neck  
Look me in my eyes when I'm in my mind  
I don't make sense and can you tell?  
Oh no, but don't get too close, no  
Solo and so 'lone, both meanings they both roll

Some by my side at that time but I'm up now  
The weight heavy but it's the flow, ready steady  
You wanna run up on me, kill me, stab me?  
Trust me, rather you taking nothing  
All of my heroes dead but not me  
I got plenty of shit to do whilst I'm still breathing  
I'm never leaving

No I ain't tryna find no money like  
'Cause I'm gon' make more than anybody does  
Fuckin' me, making me feel uncomfortable, I'd rather be alone  
Repeatin' that you need me but I'm unavailable  
Unavailable, I need myself, and I recommend the same for you  
Baby listen up I said I'm unavailable  
Just believe me I don't really think the way you do, the way yo  
u do, you do
