

## 6 Inch

Beyoncé

(Six inch heels she walked in the club like nobody's business)  
Goddamn she murdered everybody and I was her witness...

She's stacking money money, everywhere she goes  
You know, pesos out of Mexico  
She got the mula, commas and them decimals  
She don't gotta give it up cause she professional  
She mixing up that Ace with that Hennessy  
She love the way it tastes, that's her recipe  
Rushing through her veins like it's ecstasy, oh no!  
She already made enough but she'll never leave

Six inch heels she walked in the club like nobody's business  
Goddamn she murdered everybody and I was her witness

She works for her money, she works for the money  
From the start to the finish  
And she worth every dollar, she worth every dollar  
And she worth every minute  
She works for the money  
She works for the money  
She works for the money  
She works for the money

She stack her money, money everywhere she goes  
She got that mula, lay down that Saki straight from Tokyo  
She got them commas and them decimals  
She don't gotta give it up cause she professional

Six inch heels she walked in the club like nobody's business  
Goddamn she murdered everybody and I was her witness

She works for her money, she works for the money  
From the start to the finish  
And she worth every dollar, she worth every dollar  
And she worth every minute

Stars in her eyes  
She fights for the power, keeping time  
She grinds day and night  
She grinds from Monday to Friday  
Works from Friday to Sunday  
She gon' slang  
She too smart to crave material things  
She pushing herself day and night  
She grinds from Monday to Friday

Works from Friday to Sunday  
Oh stars in her eyes  
She fights and she sweats those sleepless nights  
But she don't mind she loves the grind  
She grinds from Monday to Friday  
Works from Friday to Sunday  
Yeah, yeah, she gon' slang  
Too smart to crave material things  
Stacking her paper  
Stacking her cake up

grinds from monday to friday  
works from friday to sunday

Six inch heels she walked in the club like nobody's business...  
Goddamn she murdered everybody and I was her witness...  
She works for her money, she works for the money  
From the start to the finish  
And she worth every dollar, she worth every dollar  
And she worth every minute

Oh, boy, I'll make you feel  
You'll always come back to me  
Come back, come back  
Come back, come back  
Come back, come back
