

CUFF IT

Beyoncé

Baby, make it rain
Don't let go 'til it storms again (Night)
I pray that this will never end
My love, love, cuff it, don't stop
Let me love you to the remix

I feel like fallin' in love (Fallin' in love)
I'm in the mood to fuck somethin' up (Tonight, I'm lovin' somethin' up, baby)
I need some drink in my cup (Drink it up, drink), hey (Drink it up)
I'm in the mood to fuck somethin' up (I'm in the mood, I wanna make love)

I wanna go missin', I need a prescription
I wanna go higher (Sit on top), can I sit on top of you? (Can I sit on top?)
I wanna go where nobody's been (I wanna go where nobody's been)
Have you ever had fun like this? (Tonight, we're gonna have fun) Oh, woah

We gon' fuck up the night (Ooh), black lights
Spaceships fly (Fly)
Unapologetic when we fuck up the night (The night)
Fuck up the night (The night)
We gettin' fucked up tonight

Bet you you'll see stars, bet you you'll go far
Bet you you'll elevate, bet you you'll meet God (Oh)
'Cause I feel like fallin' in love (Oh)
I'm in the mood to fuck somethin' up (Oh)
'Cause we gon' fuck up the night

What's in these four walls? (Oh) You sexy, my love (Love)
Don't miss this roll call, I need you here, my love
Show up, show up (Oh), po' up, po' up (Oh)
You're Mr. Nasty, I'll clean it up (That was nasty)

I wanna go where nobody's been (Wanna go where you've been, where I've been)
Have you ever had fun like this? (Just tell me where to sit, babe)
I wanna go missin', don't need no prescription
I can't get no higher when I'm sittin' on top of you (Top of you)

We gon' fuck up the night (All night)
Black lights (All night)
Spaceships fly (All night)
Want my body on your body (All night)
Unapologetic when we fuck up the night (All night)
Fuck up the night (All night)
We gettin' fucked up tonight (All night)
We gon' fuck up the night (All night)

Bet you you'll see far, bet you you'll see stars
Bet you you'll elevate, bet you you'll meet-
'Cause you got me fallin' in love (You got me fallin' in love)
I'm in the mood, don't need no one else

Hypersonic, sex erotic
On my body, boy, you got it (You got it)
Hit them 'draulics while I ride it (Come get it)
Got me actin' hella thotty

So excited, so exotic
I'm a seasoned professional
Squeeze it, don't let it go
Tease it, no self-control
I can see the love in your eyes
Boy, I know you wanna squeeze it, don't lie
Double-tap when I walk by, fuck a reply
You wanna deep dive in it and I know why, full moon, na, na
Assume that it's high tide, baby, just get it in the water with it
Boy, it's waist-high, ain't no need in holdin' back
Stay with it, baby, keep on cuffin'
Right there, baby, keep on bussin', I'm so nasty
Yeah, you (You, you)
Come and cuff it, cuff it, cuff it, cuff it, baby (You)
While I buss it, buss it, buss it for you, baby (You)
Oh, baby (You, you)
Anywhere, anytime, I don't mind, I don't mind

Boy, for you (Boy, for you, for you)
I'm backin' the truck up, huh
Stay with it, baby, keep on cuffin' (Fuck it up)
Right there, baby, keep on bussin' (For you), I'm so nasty
A bitch'll get fucked up, huh (For you, for you)
I'm puttin' my cup up, huh
Stay with it, baby, keep on cuffin' (For you)
Right there, baby, keep on bussin', I'm so nasty

Bet you you'll see stars, bet you you'll go far
Bet you you'll levitate, bet you you'll meet God
Woah
We gon' fuck up the night (Night, night)
Spaceships fly (Fly, fly)
Baby, make it rain
Don't let go 'til it storms again
