

# Dance For You

Beyoncé

I just wanna show you how much I appreciate you, yes  
Wanna show you how much I'm dedicated to you, yes  
Wanna show you how much I will forever be true, yes  
Wanna show you how much you got your girl feeling good, yes  
Wanna show you how much, how much you understood, yes  
Wanna show you how much I value what you say  
Not only are you loyal, you're patient with me babe, yes  
Wanna show you how much I really care about your heart  
Wanna show you how much I hate being apart, yes  
Wanna show you show you show you till you through with me  
I wanna keep it how it is but you can never say how it used to be!

Loving you is really all that's on my mind  
And I can't help but to think about it day and night  
I wanna make that body rock  
Sit back and watch!

Tonight I'm gonna dance for you, oh  
Tonight I'm gonna dance for you, oh  
Tonight I'm gonna put my body on your body  
Boy, I like it when you watch me, ah  
Tonight it's going down  
I'll be rocking on my babe, rocking, rocking on my babe  
Swirling on my babe, swirling, swirling on my babe  
Baby, let me put my body on your body  
Promise not to tell nobody  
'Cause it's about to go down

You'll never need two 'cause I will be your number one  
Them other chicks are superficial  
But I know you know I'm the one  
That's why I'm all into you  
'Cause I can recognize that you know that  
That's why I'm backing this thing back  
Pop-popping this thing back  
Drop, drop, drop-dropping this thing back  
This is for the time you gave me flowers  
For the world that is ours  
For the mula, for the power of love  
And no I won't never ever e-ever give you up  
And I wanna say thank you in case I don't thank you enough  
A woman in the street and a freak in the you know what  
Sit back, sit back, it's the pre-game show  
Daddy, you know what's up

Loving you is really all that's on my mind  
And I can't help but to think about it day and night  
I wanna make that body rock  
Sit back and watch

Tonight I'm gonna dance for you, oh  
Tonight I'm gonna dance for you, oh  
Tonight I'm gonna put my body on your body  
Boy, I like it when you watch me, ah  
Tonight it's going down  
I'll be rocking on my babe, rocking, rocking on my babe  
I'll be swirling on my babe, swirling, swirling on you, babe

I wanna put my body on your body  
Promise not to tell nobody  
'Cause it's about to go down

Hey Shawty show me that you love the way, that I do  
Whatever, to show the world I'm crazy bout you  
I tell them everything amazing bout you  
The reason behind me saying I do  
It's hidden in the way you toot it in the air and drop it down  
And give it to me dirty when nobody ain't around  
Your legs in the air and your clothes on the ground  
And your head in the pillow, trying to hold in the sound  
Now come here Shawty, let me grab and hold that  
Remote control that, I love to rock when you you there for me  
I want you to know that, when you undressing  
It's like I'm living out a fantasy  
Cause you so soft, and I'm not that  
You want this, well you got that  
Magnum lifestyle, know I'm bout that  
That Bentley, lay you on top that  
Knock that ass from here to tomorrow  
On the balcony, out in Cabo  
Know a shopping spree will follow  
I'm in love, watching you model  
Couple candle lights, create the ambiance  
And yo lingerie and yo Louis Vuitton  
Pussy sick and slow music on  
And I'm watching you like it's a movie yo

Tonight I'm gonna dance for you, oh  
Tonight I'm gonna dance for you, oh  
Tonight I'm gonna put my body on your body  
Boy I like it when you watch me, ah  
Tonight it's going down  
I'll be rocking on my babe, rocking, rocking on my babe  
I'll be swirling on my babe, swirling, swirling on my babe  
I wanna put my body on your body  
Promise not to tell nobody  
'Cause it's about to go down

Watch me p-pop it, p-pop it for you, baby  
Drop it, drop it, drop it, drop it for you, baby  
Watch it, watch it, watch it, watch me roll it, baby  
Wanna make that body rock  
Sit back and watch me  
Watch me p-pop it, p-pop it for you, baby  
Drop it, drop it, drop it, drop it for you, baby  
Watch it, watch it, watch it, watch me roll it, baby  
Wanna make that body rock  
Sit back and watch me
