

# Everything I Do

Beyoncé

Every step I make  
And every breath I take  
I took cuz I cant wait  
To be closer to you

Baby you're so sweet  
You give me cavities  
I get a stomach ache  
If I cant be with you

At night I fall asleep  
And I dont wanna wake up

Cuz you are in my dreams  
A heavenly creation

In the body that  
I only wanna share with you

Hey

Everything I do is just for you  
Countin every second til we rendezvous  
And I cant wait  
To give my love to you  
Cuz everything I do is just for you

[Be] Baby we will never finish  
[Bi] To be continued  
[Be] Separation cant change  
[Bi] The love I feel for you  
[Be] I'm gonna definitely be affectionate  
[Bi] Snuggle up tonight lets get real intimate  
[Be] Only you can satisfy my appetite  
[Bi] Cuz when it comes to love  
[Be] You get me get so excited  
I wanna taste your lips  
My body melts in bliss every time

Everything I do is just for you  
Countin every second til we rendezvous  
And I cant wait  
To give my love to you  
Cuz everything I do is just for you

Everything I do is just for you  
Countin every second til we rendezvous  
And I cant wait  
To give my love to you  
Cuz everything I do is just for you

You are my  
(you are my)  
Universe  
(universe)  
Everything I want and  
Everything I need and  
Everything worth waiting for  
For  
For better or for worse  
Constant craving  
Your love enslaves me  
Oh

Everything I do is just for you  
Countin every second til we rendezvous  
And I cant wait  
To give my love to you  
Cuz everything I do is just for you

Give it to me baby  
I wanna give it to you  
Give it to me baby  
I cant wait  
Everything I do is just for you  
Everything I do is just for you  
Everything I do is just for you

Everything I do is just for you  
Everything I do is just for you  
Everything I do is just for you  
I cant wait to give you my love  
Everything I do is just for you
