Beyoncé

The winner is  
Beyonce Knowles female pop vocalist!

I would like to thank the judges for picking me  
My parents who I love  
I love you Houston

And I've been drifting not from knowledge  
Cat calls on cat walks  
Man these women get inside 'em (?)  
I could sing a song for Solomon or a salamander (?)  
We took a flight at midnight  
And now my mind can't help but wonder  
How come?  
Spoonfed pluralized eyes to find the beaches in the forest  
Looking off the edge  
I preach my gutter can't help ignore it  
I'm climbing up the walls  
Cuz all the shit I hear is boring  
All the shit I do is boring  
All these record labels boring  
I don't trust these record labels, I'm torn

All these people on the planet  
Working 9 to 5, just to stay alive  
The 9 to 5, just to stay alive  
The 9 to 5, just to stay alive  
The 9 to 5, just to stay alive  
The 9 to 5, just to stay alive  
The 9 to 5, just to stay alive  
The 9 to 5, just to stay alive  
All the people on the planet  
Working 9 to 5 just to stay alive  
How come?

What goes up, goes around  
Goes around around around around  
What goes up, goes around  
Goes around around around around

Ah-rou-ou-und ah-rou-ou-und ah-rou-ou-und ah-rou-ou-und

So not for sale  
Probably won't make no money off this, oh well  
Reap what you sow  
Perfection is so

It's what you do  
It's what you see  
I know if I'm haunting you

You must be haunting me

It's where we go  
It's where we'll be  
I know if I'm onto you, I'm onto you  
Onto you, you must be onto me

My heart it lulls  
Ghost in the sheets  
I know if I'm haunting you  
You must be haunting me

My wicked tongue  
Where will it be  
I know if I'm onto you  
I'm onto you  
Onto you, I'm onto you  
Onto you, you must be onto me

You want me?  
I want it done my way  
You like it?  
The bedroom's my runway  
Slap me!  
I'm pinned to the doorway  
Kiss, bite, f\*ck me

My heart it lulls  
Ghost in the sheets  
I know if I'm haunting you  
You must be haunting me

My wicked tongue  
Where will it be  
I know if I'm onto you  
You must be onto me

It's what we see  
I know if I'm haunting you  
You must be haunting me  
It's where we go  
It's where we'll be  
I know if I'm onto you, I'm onto you  
Onto you, I'm onto you  
Onto you, you must be onto me  
You must be onto me (onto you, I'm onto you)  
You must be onto me (onto you, I'm onto you)  
You must be onto me (onto you, I'm onto you)  
You must be onto me (onto you, I'm onto you)

Me (onto you, I'm onto you)  
Me (onto you, I'm onto you)  
Me (onto you, I'm onto you)  
Me (onto you, I'm onto you)  
Me (onto you, I'm onto you)
