

# (He's) My Man

**Beyoncé**

Beyonce you can do so much better

You say that he's wrong  
You say that he's no good  
Leave em alone cuz he's gonna hurt you  
But what they don't know is how he makes me feel  
You say that he creeps  
Always runnin' the streets  
He's playin the game  
And he'll never love me  
You say that he's fake but why does it feel so real

No matter what you say I ain't goin no where  
No matter what you think imma always be there  
The love that we share it lives inside of me  
(the love that we share it lives inside of me)  
No matter hear it is all in the past  
No matter what you feelin this love is gone last  
The heart of his soul it breathes inside of me  
(the heart of his soul it breathes inside of me)

My man, he makes me feel so special  
My man, he makes me feel so precious  
My man, he makes me feel wonderful  
My man, I'm feelin so comfortable  
My man, he makes me feel so special  
My man, he makes me feel so precious  
My man, he makes me feel wonderful  
He's thugged out but he's my man

You say you don't trust him  
Because he been locked up  
You say that he trouble cuz he out in the strip club  
But you were young once so you should understand  
You say that you know  
So you been a witness  
You say it's fasho  
Say he got a mistress  
Until you can show me I'm gone stand by him

No matter what you say I ain't goin no where  
No matter what you think imma always be there  
The love that we share it lives inside of me  
(the love that we share it lives inside of me)  
No matter hear it is all in the past  
No matter what you feelin this love is gone last  
The heart of his soul it breathes inside of me  
(the heart of his soul it breathes inside of me)

My man, he makes me feel so special  
My man, he makes me feel so precious

My man, he makes me feel wonderful  
My man, I'm feelin so comfortable  
My man, he makes me feel so special  
My man, he makes me feel so precious  
My man, he makes me feel wonderful  
He's thugged out but he's my man  
He's thugged out but he's my man
