

HEATED

Beyoncé

Got a lot of bands, got a lot of Hermès on me

Got a lot of bands, got a lot of Ivy on me

I gotta fan myself off, I gotta fan myself off (Fan me off, fan me off)

I gotta cool down, heated (Fan me off like hot, hot, hot, like Coco Chanel, put me up in jail)

I gotta cool it down, heated, yeah, yeah (Cool it down, hot, hot, hot, like stolen Chanel, put me up in jail)

It's been a lot of years, really thinking you gettin' one past me? (Tip, tip, tip, tip, tip, tip)

I gotta fan myself off, I gotta fan myself off

I gotta cool it down, heated

Oh, you got me, heated, heated, oh

Never met a girl with a mind like this, no, no

To kill space and time like this, my love

Never met a girl so fine like this, no, no, no-no, no

With a waist and wine like this

My love

Only a real one could tame me

Only the radio could play me (Uh)

Oh, now you wish I was complacent (Uh)

Boy, you must've mixed up our faces (Uncle, uncle)

Oh, now you wanna have conversations (Johnny, uncle)

See, now you're testing my patience (Johnny, uncle Johnny made my dress)

Yeah, yeah (Fan me off)

Got a lot of bands, got a lot of Chanel on me

I gotta fan myself off, I gotta fan myself off (Fan me off, fan me off)

I gotta cool down, heated (Fanning me off like hot, hot, hot, like stolen Chanel, put me up in jail)

I gotta cool it down, heated, yeah, yeah (Tip, tip, tip, tipping on, tip, tip, tip, tipping on)

Got a lot of style, got a lot of Tiffany on me

I gotta fan myself off, I gotta fan myself off (Tiffany, Tiffany, Tiffany)

I gotta cool it down, heated (I'm hot, hot, hot)

You got me, heated, heated (Fanning me off like hot, hot, hot, like stolen Chanel, put me up in jail)

Whole lotta reservations, whole lotta

Whole lotta texting with no conversations (Whole lotta, lotta, lotta)

Playing victim and a villain at the same time

Whole lotta, huh, money, not a lot of patience

Whole lotta niggas been waiting, they want some time on it

Now I wanna flaunt it, panty and a bra, we can get involved, boy (Wake up pretty)

If you keep playing with my heart, boy, I'm just as petty as you are (Petty, petty, petty, petty)

Uh, only a real man can tame me

Only the radio could play me

Only my baby (Oh, yeah)

Got a lot of bands, got a lot of Chanel on me

I gotta fan myself off, I gotta fan myself off (Fan me off, fan me off)
