## I Care

I told you how your hurt me, baby But you don't care Now I'm crying and deserted, baby But you don't care Ain't nobody tell me this is love But you're immune to all my pain I need you to tell me this is love You don't care, well that's okay Well, I care I know you don't care too much But I still care, la Oh, I care I know you don't care too much But I still care, la Ever since you knew your power You made me cry And now everytime our love goes sour You won't sympathize You see these tears falling down to my ears I swear you like when I'm in pain I try to tell you all my fears You still don't care? That's okay Well, I care I know you don't care too much But I still care, la Oh, I care I know you don't care too much But I still care, la Boy, maybe if you cared enough I wouldn't have to care so much What happened to our trust? Now you've just given up You used to be so in love Now you don't care no more Well, I care I know you don't care too much But I still care, la Oh, I care I know you don't care too much

But I still care, la la
