1. Listen

F#m C#m7

To the song here in my heart

D E

A melody I start but can't complete

Listen (mmm)

To the sound from deep within

It's only beginning to find release

C

Oh, the time has come

E7

For my dreams to be heard

Am G

They will not be pushed aside and turned

F E

Into your own, all 'cause you won't listen

A

R: Listen

E

I am alone at a crossroads

F#m

I'm not at home in my own home

E

And I've tried and tried

D

To say what's on my mind

E

You should have known

A E

Oh, now I'm done believing you

You don't know what I'm feeling

F#m As5

I'm more than what you made of me

C#m7 A5

I found the voice you gave to me

D/A E

But now I've got to find my own

2. You should have listened

There is someone here inside

Someone I thought had died so long ago

Oh, I'm screamin out

And my dreams will be heard

They will not be pushed aside or worse

Into your own, all 'cause you won't listen

R: Listen...
