Beyoncé

Hey Honey  
Cat Got Ya Tongue  
Don't Look So Funny  
Mr. Comedian Jokes On You And  
You Good At Bet So Where's My Money  
I Know You Bet That I'd Never Make Move  
So Whys The House Empty  
Lights Off By The End Of This Week  
I Leave Wit Wat I Came Wit Baby  
I Take The Dogs You Keep The Mercedes

Cause I'm gone I'm not fazed  
I walk these roads with grace  
And I'll wave with you behind me  
With a new smile on my face

Cause I'm walking in new shoes now  
I got a new song to sing  
When I walk in the room every head turns  
Every eye is on me  
To bad you're not here to see it  
And by the time you get this  
I'll be so long gone and far  
I'll send you a postcard  
Aaha I'll send you a postcard

Hey baby  
You seen a ghost?  
This ain't yo lady  
This is the chick that you held back  
Now all of the things you've said were crazy  
I checked out my list and I feel good about it  
I got the new haircut  
The one that you said wouldn't look no good  
Took that job you said I could not get  
Wore that dress you said I'd never fit

Cause you're gone and I'm great  
I got rid of your dead weight  
And I'll wave at you behind me  
With a new smile on my face  
Cause I'm walking in new shoes now  
I got a new song to sing  
When I walk in the room every head turns  
Every eye is on me  
To bad you're not here to see it  
And by the time you get this  
I'll be so long gone and far  
I'll send you a postcard
