

# Water

Beyoncé

Yeah  
Shoot!

Baby, oh, I'm not much of a talker  
Baby, oh, can I drink from your water?  
Baby, oh, meet me down by the river  
We can dance to the rhythm  
'Til the sun is high and the water runs dry

Yes, we can make it far  
Don't need inflatables  
That's what the waves are for  
What are you waiting for?  
Yes, we can make it far  
Don't need inflatables  
That's what the waves are for  
What are you waiting for?

Well, darling, if you leave, I'll go wherever you go  
I'll wear your heart on my sleeve so everybody here knows  
But if you tell me to stay, you'll never be on your own  
So baby, don't wait too long

Baby, oh, I'm not much of a talker  
Baby, oh, can I drink from your water?  
Baby, oh, meet me down by the river  
We can dance to the rhythm  
'Til the sun is high and the water runs dry

Yes, we can make it far  
Don't need inflatables  
That's what the waves are for  
What are you waiting for?  
Yes, we can make it far  
Don't need inflatables  
That's what the waves are for  
What are you waiting for?

I'll bring you back the moon just so we got all night  
I'll bring the sun down too, so I can show you the light  
Trust me, if you ever leave, I'll be right by your side, oh  
For you, I will ride, ah

Baby, oh, (I'm not much of a talker)  
Baby, oh, (can I drink from the water?)  
Baby, oh, (meet me down by the river)  
(We can dance to the rhythm)  
{'Til the sun is high and the water runs dry}

Yes, we can make it far  
Don't need inflatables (Yeah)  
That's what the waves are for (Yeah)  
What are you waiting for? (Yeah)  
Yes, we can make it far (Yeah)  
Don't need inflatables  
That's what the waves are for (Yeah)  
What are you waiting for?

Baby, oh, (I'm not much of a talker)  
Baby, oh, (can I drink from the water?)
