

## The Inversion

## Beyond Creation

Awakening from a profound slumber  
Cognitive motions strive to the same encounter  
Slowly vanishing from the same beholder

Once again you are facing these fences  
In these vast lands, you must strive  
Climb the barriers to evolve and thrive  
We definitely need to expand the possibilities  
to become the heirs of what is surrounding us

Complex variations, multiple designs  
Let the nature collide  
Transmitting its unique way through

Find the inversion from the breach  
Visualise the absence of time

Complex variations, multiple designs  
Let the nature collide  
Transmitting its unique way through

Awakening from a profound slumber  
Cognitive motions strive to the same encounter  
Slowly vanishing from the same beholder

You will return to the earth  
From the ground, you were born
