

Last Goodbye

Beyond Unbroken

She came to knock on my door
I should've never said "No"
I wasn't ready to leave
She ran away to the sun
I came to sing her this song
But she was already gone

One wish, one kiss
Time will never bring you back
I am ready to leave
One last goodbye
My soul died with you the night
You surrendered your life
Darling

Not feelin' alive
I'm feelin' alone
I'm ready to let go
(Let go)
I'll trade you my life
I want you to know
I'm feelin' so hollow
(Hollow)

And after all that's said and done
I wanted to follow and be with you
Not feelin' alive
I'm feelin' alone
I'm ready to let go

(I'm ready to let go)
(I'm ready to let go)

You took a piece of my heart
I'm lost, falling apart
How could you do this to me?
I said don't answer the call
But death comes for us all
And you were ready to leave

One wish, one kiss
Time will never bring you back
I am ready to leave (yeah)
One last goodbye
My soul died with you the night
You surrendered your life
Darling

Not feelin' alive
I'm feelin' alone
I'm ready to let go
(Let go)
I'll trade you my life
I want you to know
I'm feelin' so hollow
(Hollow)

And after all that's said and done
I wanted to follow and be with you
Not feelin' alive
I'm feelin' alone
I'm ready to let go

(I'm ready to let go)
(I'm ready to let go)
