

Losing My Mind

Beyond Unbroken

My mouth was sewn up tight, shut up and clock out and go!
My eyes are opened wide, feels like I'm losing my mind
Whooaah, whooaah!
Eyes are opened wide and I'm losing!
(losing, losing my mind)
Wooaah, wooaah!
Take in everything, leave out my heart and my mind!
We'll go and quit tonight!
(fight, fight)
Fighting for my life!
You left me broken inside!
Like I'm lost in your eyes!
(fight, fight)
Fighting for my life
Blacked out and fell so hard
Feels like I'm buried alive
Tearing away my skin, as it repeats all again
Wooaah, wooah
Eyes are opened wide and I'm losing
(losing, losing my mind)
Wooaah, wooaah! Wooaah, wooaah!
Take in everything leave, out my heart and my mind!
We'll go and quit tonight!
(fight, fight)
Fighting for my life!
You left me broken inside! Like im lost in your eyes!
(fight, fight)
Fighting for my life!
