

## My Life

## Beyond Unbroken

Yeah

I never thought I'd draw a line between family  
Or see a day my best friends become enemies  
All the grudges always linger, poison the years  
Living in the dark, now I see it crystal clear

All my life I just run away  
All these times didn't wanna stay, yeah  
All my life it just makes me feel crazy  
Feel crazy

Welcome to my life  
Fall back  
Could we start all over  
Welcome to my life  
Fall back  
Can we start again  
Promised you  
Promised to me  
Feel like I'm ready to leave  
This is my life  
This is my life

I used to wonder why the door felt so far away  
Never realized my time just slipped away  
I couldn't handle all the anger inside of me  
Life could be better  
If I stop to see

All my life I just run away  
All these times didn't wanna stay, yeah  
All my life it just makes me feel crazy  
Feel crazy

Welcome to my life  
Fall back  
Could we start all over  
Welcome to my life  
Fall back  
Can we start again  
Promised you  
Promised to me  
Feel like I'm ready to leave  
This is my life  
This is my life

(This is my life)

All my life I just run away (Away)  
All these times didn't wanna stay (Wanna stay here)

Welcome to my life  
Welcome to my life

This is my life!

Welcome to my life

Fall back  
Could we start all over  
Welcome to my life  
Fall back  
Can we start again  
Promised you  
Promised to me  
Feel like I'm ready to leave  
This is my life  
  
This is my life
