

Be Mine

BGYO

Lumalagpas na lang palagi sakin
Ang bawat mong tingin
Sinabi mo naman na maghintay
Kaya umaasa pa rin
Don't try and get my hopes up
And treat me like an option
Just say it to my face
And don't lead me on and on and on

Let me give you what you want
Cuz I'm here to love and serve ya
Why you makin' it so hard
Why you still searchin', oh
Ang lahat ng hinahanap mo
Ay ibibigay sayo
Para lang sayo

Baby give us a chance
This time
Give me more than a glance
I promise to keep you satisfied
Sana ako na ang piliin
Hindi ka magsisisi saakin
I'll be waiting for the time
When you'll be mine

Keep pretendin that I'm fine
But in reality I haven't been alright
But I try to be faithful
Though its painful inside
Tryna put the blame on me
But you wouldn't find a thing
Oh bakit ba, kahit na ano pang gawin
Di mo napapansin?
Ano ba ang nakikita mo
Sa iba na wala sa akin?

Let me give you what you want
Cuz I'm here to love and serve ya
Why you makin it so hard
Why you still searchin', oh
Ang lahat ng hinahanap mo
Ay ibibigay sayo
Para lang sayo

Baby give us a chance
This time
Give me more than a glance
I promise to keep you satisfied
Sana ako na ang piliin
Hindi ka magsisisi saakin
I'll be waiting for the time
When you'll be mine

Baby give us a chance
This time
Give me more than a glance

I promise to keep you satisfied
Sana ako na ang piliin
Hindi ka magsisisi saakin
I'll be waiting for the time
When you'll be mine
