

Baby, you're so divine

Putting it all on the table  
What we got don't need a label  
All in my ear like an angel  
Way that you're looking is fatal

'Cause girl, you make me see the light  
You take me for a ride into the other side

It's like I see heaven in your eyes (Hey)  
I'm thanking God because you're mine  
I love you more in every life  
And you're mine, all mine  
You're so divine  
(Ba-da-ba-da-ba-da-ba, ba-da-ba-da-ba-da-ba)  
You're so divine (Ba-da-ba-da-ba-da-ba)  
Baby, you're so divine

You could make a man wanna pray first (Amen)  
You could be the center of my universe (Hey)  
Down on my knees even 'til it hurts (Alright)  
Too pretty to even be from this earth

'Cause girl, you make me see the light  
You take me for a ride into the other side

It's like I see heaven in your eyes (Heaven in your eyes)  
I'm thanking God because you're mine  
I love you more in every life  
And you're mine, all mine  
You're so divine  
(Ba-da-ba-da-ba-da-ba, ba-da-ba-da-ba-da-ba)  
You're so divine (Ba-da-ba-da-ba-da-ba)  
Baby, you're so divine  
(Ba-da-ba-da-ba-da-ba, ba-da-ba-da-ba-da-ba)  
You're so divine (Ba-da-ba-da-ba-da-ba)  
Baby, you're so divine

Counting my blessings  
All karma, no lessons (Hey)  
Press answer, no question (Hey, hey)  
My only confession is you, oh, yeah

It's like I see heaven in your eyes  
I'm thanking God because you're mine  
I love you more in every life  
And you're mine, all mine (Ooh)  
You're so divine  
(Ba-da-ba-da-ba-da-ba, ba-da-ba-da-ba-da-ba)  
You're so divine (Ba-da-ba-da-ba-da-ba)  
Baby, you're so divine (You're so divine)
