

Extraordinary

BGYO

Maraming nagsasabi na hindi mo kaya 'yan
Laging may humaharang paghakbang mo sa hagdan
Hayaan mo sila, iwanan sa nakaraan
Nasa iyo ang susi ng pinto, buksan mo lang

You don't need to tell them
To show them that you got it
Bawat galaw surprise them
At sila nang lalapit

Kasi hindi nila alam (No, they don't, they don't)
Ang 'yong kakayanan (That you strong, you strong)
Tuloy-tuloy mo lang (Tuloy-tuloy mo lang)
At 'yong makakamtam

You are extraordinary (Aye, he-ey, aye, he-ey, aye)
You are extraordinary (Let's go)
Let's hear you say, let's go
Let's hear you say, let's go
I am extraordinary
Everybody is somebody
Lahat ng pangarap ay mangyayari
You are extraordinary
'Wag makinig sa sabi-sabi
Kapalaran, 'kaw nagmamay-ari

Listen to me, 'cause I've been here before
Removed all the shackles and opened them door
Oo laging ready, whenever they call
Extraordinary, I'm still standin' tall
'Di porket 'di sila sang-ayon
Ay sasabay ka lang sa alon
Diretso ang langoy kahit marami pa ang rough waves
Gawin kung ano'ng kaya kasi life is short, so why wait?

You don't need to tell them (No)
Just show them that you got it
Bawat galaw surprise them
At sila nang lalapit

Kasi hindi nila alam (No, they don't, they don't)
Ang 'yong kakayanan (That you strong, you strong)
Tuloy-tuloy mo lang (Tuloy-tuloy mo lang)
At 'yong makakamtam

You are extraordinary (Aye, he-ey, aye, he-ey, aye)
You are extraordinary (Let's go)
Let's hear you say, let's go*
Let's hear you say, let's go
I am extraordinary
Everybody is somebody
Lahat ng pangarap ay mangyayari
You are extraordinary
'Wag makinig sa sabi-sabi
Kapalaran, 'kaw nagmamay-ari

Yo, you have to be willing

Gotta always be used to this feeling
Believe what you're doing is right
And someday you will bust through that ceiling
No limit, that's right
Don't be so uptight, keep searching the light
Keep up the fight, soar to new heights
Yeah ,you'll be alright

Someday everybody will know your name
Be sure that you are the best in the game
Drive straight and steady, stay in your lane
It's true when they say, "No pain, no gain"
Palaging gawin 'yung kailangan
Sarili mo lang ang sandalan
'Wag kang mapagod na lumaban
Nasa palad mo ang 'yong kapalaran

Kasi hindi nila alam (No, they don't, they don't)
Ang 'yong kakayanan (That you strong, you strong)
Tuloy-tuloy mo lang (Tuloy-tuloy mo lang)
At 'yong makakamtam

'Cause you are extraordinary (Aye, he-ey, aye, he-ey, aye)
You are extraordinary (Let's go)
Let's hear you say, let's go
Let's hear you say, let's go
I am extraordinary
Everybody is somebody
Lahat ng pangarap ay mangyayari
You are extraordinary
'Wag makinig sa sabi-sabi
Kapalaran ikaw nagmamay-ari
