

Rocketman

BGYO

Like a rocket ship ready for its flight
Got so much to give been waiting all my life

Fuel with fire, can we go higher
Can we take it on, gotta bring what we got

All these people on our side
Dito kami lahat lumaki
We gotta carry on the pride

Oooohhhh oooooohhh oooohhh ooohh
Heto ang bugso
Oooohhhh oooooohhh oooohhh ooohh
Walang pipigil dito
Oooohhhh oooooohhh oooohhh ooohh
Kami ay pilipino
Oooohhhh oooooohhh oooohhh ooohh
Heto ang bugso

All the way up here, struggles left and right
Up in the atmosphere, it's not an easy flight

Fuel with fire, can we go higher
So let's take it on, gonna bring all we got

All these people on our side
Dito kami lahat lumaki
Oohuoh
We gotta carry on the pride
Carry on carry on

Oooohhhh oooooohhh oooohhh ooohh
To the sky
Like a rocket
Taking flight
On the fire
Going higher
This is what
I've been waiting (Heto ang bugso)
Oooohhhh oooooohhh oooohhh ooohh
All my life
All the way up
No more struggle
And together
We'll be soaring
Even greater
We'll fly together
Oooohhhh oooooohhh oooohhh ooohh
Kami ay pilipino
Oooohhhh oooooohhh oooohhh ooohh
Heto ang bugso

There's no holding it back
The blood in my veins
I carry my name
This is our time
It's all in your my mind

It's your time to shine and claim
I got your back, you got mine
Lead the way for the ones who pray
Never settle for less, work hard everyday
Give your best and the rest will just come your way
Just sing

Oooohhhh oooooohhh oooohhh ooohh
Heto ang bugso
Oooohhhh oooooohhh oooohhh ooohh
Walang pipigil dito
Oooohhhh oooooohhh oooohhh ooohh
Kami ay pilipino
Oooohhhh oooooohhh oooohhh ooohh
Heto ang bugso

To the sky
Like a rocket
Taking flight
On the fire
Going higher
This is what
I've been waiting
All my life
All the way up
No more struggle
We'll be soaring
Even higher
We'll fly together
Blast off
