

The Baddest

BGYO

When I see you walk it
When I see you walk
When I see
When I see you walk it
When I see you walk
Lemm-le
When I see you walk it
When I see you walk
Leme-le
When I see you walk it
When I see you walk it

I don't know what kind of spell you've been putting on me
But everything about you I love your personality
Can't act like I'm not afflicted
You're all in my mind I see
Something 'bout you drives me crazy
You know, you know

You the baddest of 'em all
You the baddest of 'em all
You the baddest of 'em all
You the baddest of 'em all
Feel her power, she'll take charge over you

When I see you walk it
When I see you walk
When I see
When I see you walk it
When I see you walk
Lemm-le
When I see you walk it
When I see you walk
Leme-le
When I see you walk it
When I see you walk it

Don't know what it is about you that I like so much
You're the girl I dream about
You're everything I want
You make hard things look so easy
You're just so perfect to me
Something bout you drives me crazy
You know, you know

You take control like a boss, queen
You've won it all, gotta take a bow
Your mind and beauty, baby, world renowned
Girl, you hold the crown

You the baddest of 'em all
You the baddest of 'em all
You the baddest of 'em all
You the baddest of 'em all
Feel her power, she'll take charge over you

Pag ikaw ang nasa isip, paano ba simulan

Kagandahang nakikita na walang hanggan
Tara na papunta sa patungo
Hawakan ang kamay at wag na wag ng lalayo, ugh

Hey hey hey, halika dito
Sumama ka sa akin at sa alon ng mundo
Parang nananaginip lamang pwede ba na totoo
Kung magising man ako bukas, ikaw parin ang hanap ko

When I see you walk it
When I see you walk
When I see
When I see you walk it
When I see you walk
Lemm-le
When I see you walk it
When I see you walk
Leme-le
When I see you walk it
When I see you walk it

Girl, you never lied
You always stayed by my side
Coz in my life I need ya
Right beside me when I fight
Girl, you just make me stronger, yea
You make me a believer, I'll
Tell the world that you're mine, girl
Round and round we go, oh

You the baddest of 'em all
She the baddest of 'em all
You the baddest of 'em all
You the baddest of 'em all
Feel her power, she'll take charge over you
Baddest of 'em all
