

The Light

BGYO

Uhhh
Just need to follow the light
You know how it is
Okay

You know in this world that we live in
There's so much trouble that's surrounding us
Hate, jealousy, crime and violence
No, we don't need no more, need no more, no way
I'm just tryna make it all better
I wanna make this world a safer place
First I gotta make sure I work hard enough
So I can be the change

Kumapit ka lamang
At wag na wag kang bibitaw
Sa hamon ng buhay
Paniniwala mo ang isigaw
Oh

Hey
Follow the bright bright light
Ohh, only got one life, let's live in the moment
Na na na, na na na, na na na na
Kinabukasan ating ilaban
Na na na, na na na, na na na na
Follow the bright bright light

Hey uh
Better listen Imma give you 'til the count of three
We can stop all of the hate cuz we all have the keys
Hmm, let's take this higher
You can come see me looking up aaa-another level
I'm always on my grind, I try to make me better
This is my place to shine, they call me a trendsetter
Time for me to take a stand
Keep on running 'til the end
Don't look back, don't be afraid
I'll be that star light

Kumapit ka lamang
At wag na wag kang bibitaw
Sa hamon ng buhay
Paniniwala mo ang isigaw
Oh

Hey
Follow the bright bright light
Ohh, only got one life, let's live in the moment
Na na na, na na na, na na na na
Kinabukasan ating ilaban
Na na na, na na na, na na na na
Follow the bright bright light

Ating pangako
Hindi magbabago
Patungo sa ating kapayapaan

Sa gitna ng dilim ng ilaw ay susundaan
Ang bituin ay kaya nating abutin

Na na na, na na na, na na na na
One life is all we got
Na na na, na na na, na na na na
Ohh, go higher
Na na na, na na na, na na na na
Angking lakas na papatunayan
Na na na, na na na, na na na na
Follow the bright bright light
