

# Up!

BGYO

Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap

Living life in black and white  
Trying to find what is right  
Can't feel my heart out there  
I'm a little nervous and little obsessed  
Because I always aim for the heart  
Maybe if I work harder than I do now  
Maybe if I keep on dreaming that I'll get to you  
It will finally come true

You're too precious to give up  
Even if I'm under attack  
'Di ka susukuan, ika'y ipaglalaban  
Anumang hadlang at harang  
Kaya natin 'yang daanan  
We've come this far, will keep it up

Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Never give up, never give up  
Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Up, up, up, up

Found in you a different view  
Saw the colors, felt brand new  
Now that I can feel my drive  
Still a little nervous, but I won't be stressed  
I am diving into this life  
I don't really know where to begin  
A lotta craziness been happenin'  
Ever since I saw you, I was sure  
That you're the only one I wanna get to  
Maybe you don't wanna listen to me  
I'll show it to ya', best believe  
They will talk about the day  
That you and I will be together  
And everybody goes like "Woah!"

You're too precious to give up  
Even if I'm under attack  
'Di ka susukuan, ika'y ipaglalaban  
Anumang hadlang at harang  
Kaya natin 'yang daanan  
We've come this far, will keep it up

Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Never give up, never give up  
Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Up, up, up, up  
Up, up, up, up

Up, up, up, up

You're too precious to give up  
Even if I'm under attack  
'Di ka susukuan, ika'y ipaglalaban  
Anumang hadlang at harang  
Kaya natin 'yang daanan  
We've come this far, will keep it up

Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Never give up, never give up  
Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Up, up, up, up

Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Never give up, never give up  
Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Up, up, up, up

Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Never give up, never give up  
Fly high up, to the sky up  
Abot hanggang ulap, lipad ng pangarap  
Up, up, up, up
