

Life is fun  
Capture everything under the sun  
Clear as the morning light (light)  
Cool as the breeze of night (night)  
Don't let moments pass us by  
Save experience of you and I  
Slay in vibrant colors (slay in vibrant colors)  
Wonderful life is ours

Live! Vividly, live vivid  
Live vividly, live vivid, live!  
Let's vibe, let's vibe  
Oh oooh let's vibe, let's vibe  
Vividly, live vivid  
Live vividly, live vivid, live!  
Let's vibe, let's vibe  
Oh oooh live a wonderful life!

Life's an adventure  
And our future we're taking control  
No where to go but up!  
Ready for our glow up!  
We vibe to the moment  
We know the assignment!  
Won't settle for the basics  
Listen as we let our mind speak!

Live! Vividly, live vivid  
Live vividly, live vivid, live!  
Let's vibe, let's vibe  
Oh oooh let's vibe, let's vibe  
Vividly, live vivid  
Live vividly, live vivid, live!  
Let's vibe, let's vibe  
Oh oooh live a wonderful life!

Mahalagang malinaw, ang bawat galaw  
Parang pangarap natin, ating hinahagilap  
Madaling makita abot kamay na lang  
Ang makulay at magara na larawan  
Na naglalarawan ng sinusundang  
Gabay sa buhay na palaging maligaya at  
At walang hangganan hindi mapipigilan  
Hindi mapipigilan ang  
Walang hanggang pag-asa!

Live! Vividly, live vivid  
Live vividly, live vivid, live!  
Let's vibe, let's vibe  
Oh oooh let's vibe, let's vibe  
Vividly, live vivid  
Live vividly, live vivid, live!  
Let's vibe, let's vibe  
Oh oooh live a wonderful life!
